FROM THE PRINCIPAL’S DESK
24th November, 2016
Finally things are beginning to move with the renovations to the two classrooms
adjacent to the library about to commence. Yesterday temporary fencing was
installed which unfortunately will cause some inconvenience to the children and
parents who usually access the school through the gates on McKenzie Street. These
have been blocked off so that now access will need to be through the gate on
McKenzie St at the top end of the school leading to the basketball courts. The little
adventure playground will also be unavailable for the children to use until the works
are finished which may not be until after school finishes for the Christmas vacation.

During the works, access to the multi-purpose room for assemblies can be through
the main building corridor or the external entrance on the east side of the school.
Access to the Art Room and Community Room remain unaffected.

I apologise for the inconvenience but the end result will be good for the school.

A last minute reminder that the parent forum at Patterson River Secondary College
presented by Andrew Russell is on tonight at 7 pm. It is my understanding that tickets
are still available by logging on to the link provided in last week’s newsletter and the
original flier.

The children have begun to practice and rehearse the Christmas Songs that they will
be singing at the Christmas Market on Tuesday December 13th. We are aiming to
have 100% attendance of the children at the event but that can only happen with
your support and encouragement. This is a great way to celebrate as a community,
the end of the school year, so please come along with your family and make it a
memorable occasion.

Our prep to year 4 swimming program gets underway on Monday of next week. As
we needed to finalise our numbers yesterday and provide this information to the
pool in order for them to arrange for the employment of appropriate staff to teach
the children, attendance is now closed, meaning that if you have not as yet returned
the permission form, your child will be unable to attend. Those children not attending
will be supervised by one of the school staff back at school who will run a modified
program of instruction.

Regards
Michael

2017 BOOKLISTS

A reminder that the 2017 booklists, for all students wishing to order through the school, are due by 1st December 2016.

Payment can be made in cash, eftpos, QKR or, if you are eligible for the Student Support Fund in 2017, then this can be put towards the booklist costs.

The cost of these books is very competitive and ordering through the school allows you to have all the ordering done prior to the end of the year. Ordering through the school also ensures that your child has the correct stationery to start 2017.
