

Physical Education

- Each Prep to Year 2 class will participate in a 45 minute PE session and a 45 minute Perceptual Motor Program session
- Years 3 to 6 classes will participate in two 45 minute PE sessions and one sport session.
- It would be great if all students could wear shoes suitable for participating in physical activities for these sessions. Please check the timetable with your child's teacher.
- Parents with working with children cards who are interested in assisting with the implementation of the PMP sessions can contact Peter Lucas or their child's teacher.
- Swimming for Prep to year 4 will be conducted during term 4.
- The year 5/6 Water Safety Program will be conducted early this term.
- A range of special sporting clinics will be on offer for all year levels throughout the year.
- The whole school Gala House Sports will be held late in term 4
- Students in year 4 to 6 will have the opportunity to participate in National Archery in Schools Program.
