

Visual Arts

- Each grade will participate in a 1 hour class per week either on Tuesday or Wednesday.
- Every week the Golden Gnome Award will be presented to a grade that displayed the best. Synergy—one of our very important Leader In Me components.
- The final Friday of each month at assembly will see the Artists of the Month awarded.
- As always it is preferred that children bring a named art smock to each lesson—these will be housed in their classrooms to avoid mysterious disappearances
- The Art Room relies on the generosity of people to donate clean plastic containers (e.g. yoghurt, ice cream etc) throughout the year. It's a great way to recycle as well!!
